

Hao LAI (He/His/Him)

PhD Candidate in Epidemiology & Health Statistics

[Google Scholar](#) [ResearchGate](#) [GitHub](#) [ORCID: 0000-0003-0277-9364](#)

Born: May 1998

Phone: (+86) 182-9203-9079

Email: xjtu.haolai@gmail.com

RESEARCH INTERESTS & METRICS

Research Areas: Epidemiology and Statistics, Mathematical Modelling, Clinical Trial, Health Economics

Academic Impact: Total Citations: 380 (as of 2026) | Highest Citation: 223 | h-index: 8 | i10-index: 7

Peer Review: Nature Communications, BMC Medicine, Vaccine, Food Science & Nutrition

EDUCATION

Xi'an Jiaotong University

PhD in Epidemiology and Health Statistics

Xi'an, China

Sep. 2021 - Present

Monash University

Joint-PhD Researcher / Research Assistant

Melbourne, Australia

Sep. 2023 - Jan. 2025

Xi'an Jiaotong University

BM in Preventive Medicine (GPA: 3.78/4.00)

Xi'an, China

Sep. 2016 - Jun. 2021

SKILLS

Computer: Python, R, MATLAB, Microsoft Office for mathematical modeling, health-economic evaluation, microbiome analysis, and visualization

Language: Native Chinese, fluent English (oral presentation at IUSTI 2024)

ACHIEVEMENTS

- **Tencent Scholarship:** High-Level Applied Public Health Talents Training Innovative Program Nov. 2024
- **Xi'an Jiaotong University Innovative Leading Talents Scholarship** Sep. 2023 - Jan. 2025
- **10th China University Student Medical Technology and Skills Competition (Bronze)** May 2021
